Century Inn

Relax, refresh, relive

... with a sleep experience others can only dream of!

Comfortable and elegant, the 'BLISSFUL BED' is an innovative approach to hotel beds from Century Inn.

Created exclusively for Century Inn guests to ensure a blissful nights sleep, our 'Blissful Beds' feature benefits such as a deluxe pillow top to provide comfort and support. They are also hand crafted using only the finest quality materials to deliver a pure luxurious sleeping experience.

All beds are made from 100% Latex. Latex is known for its advantage of instantly responding to body shape, ensuring proper conformability and support. It is also inherently anti-microbial, dust mite resistant, hypoallergenic and environmentally friendly.

Our 'BLISSFUL BEDS' are now available for guests to experience at home
